

Donate to Haiti

Wesley Hayden
Matthieu Boillet

The Fisher school and its students are trying to help raise money for 110 students of Le Collège Mixte La Modestie to get an education in Haiti. It is located in Cabaret, which is north of Port-au-Prince. Fisher students have been doing this for 4 years. Students there need a safe place to learn, because Haiti is going through many problems right now such as earthquakes, hurricanes, and political/social problems. Funding will provide students a safe place to learn, as well as learning essentials for kids. The deadline is December 12th 2022.
